

By high demand APPLICO Engineering announces a new service

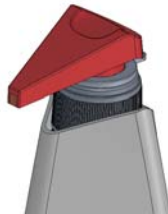

# F.A.S.T™ Modeling

*\*90% of part modeling has an 8-12 hour turn around depending on complexity*

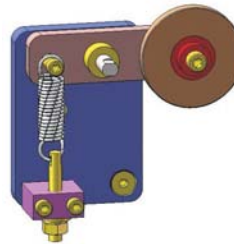

## Sheet Metal

## Plastic Parts

## Machined Parts

## Castings

### **When do I need F.A.S.T™ Modeling?**

- > *When your prototype house requires a solid model and you don't have one*
- > *When your internal design and modeling team is so busy they don't have time to work on something you need ASAP.*
- > *Don't have time to generate Purchase Order.....Pay by credit card.*
- > *Need an accurate solid model.....and FAST!*
- > *Have an existing part and need it reversed engineered*

*"APPLICO has always been known for providing fast and accurate designs and models. Getting it 'Right the first time' is our reputation. We are now featuring this service by high demand. Try us out and join our list of satisfied customers"*
